## EDUCATION

### UNIVERSITY OF WESTMINSTER

#### BSC IN COMPUTER SCIENCE

September 2019 - August 2022 |

London, UK

Obtained: Upper Second Class Honours

Degree (2:1)

### SOUTH BANK UNIVERSITY

#### COMPUTER SCIENCE,

September 2018 - May 2019 | London,

UK

Foundation year

Obtained: 1st grade

## ACHIEVEMENT

SoloLearn:// Python

Codepen:// erika888

Codewars:// ErikaHuszar

Front-End Libraries:// Certificate

JavaScript Algorithm:// Certificate

## PROJECTS

### JAVA

Java Command Line Application for a train ticket/seatreservation system. I learned how object oriented programming works

### PYTHON

I have built a web application for adding, retrieve, update and delete movies from a database using Flask.

### HTML/CSS/JAVASCRIPT

Fully functioning responsive tourist website I learned how to work with and manage a group of up to 5 people to tight deadlines

### LEGO DATABASE/PHP/SQL

I undertook a real-world project where the client at London South Bank University asked to develop a database which keeps a maintenance of Lego pieces.

## SKILLS

### PROGRAMMING

Java • Python • JavaScript

HTML • CSS • API •  $\text{\LaTeX}$

jQuery • SQL • PHP
